From the President

I trust everyone has had a successful start to the 2023-24 Metropolitan Pennant Season.

At the time of writing this update, Region Championships are currently underway with the Final of the Open Fours event completed. Congratulations to the ladies from Lilydale on winning their final against a Croydon/Heathmont composite team. In the Men's event, the Pakenham composite team overcame a late charge from the Lilydale team to win that event.

The Open Pairs event commences Sunday 12 November and entries are being accepted for all other events. Remember, only current financial members with playing rights are allowed to enter these events. It is a Club's re-sponsibility, then, to ensure that BowlsLink has been up-dated to reflect a player's eligibility.

Also, Clubs are reminded that the initial payment for the Region Levy for 2023-24 was due on 31 October. A number of Clubs are yet to pay, and unless this is addressed promptly, their players may be ineligible to participate in Region events.

Please refer to the Eastern Ranges website for further information on Championship events and dates.

BV's Region Sides Championship will be held over 13-14 January 2024 in Ballarat. Eastern Ranges is currently graded as a 'Gold Tier' team in both the Women's and Men's event. Both the Women's and Men's team have been scheduled to play at Webbcona Bowling Club.

The Women's team will play against Bendigo Campaspe Goldfields, Mornington Peninsula and Sandbelt, while the Men's team will compete against Bendigo Campaspe Goldfields, Metro West and Murray Mallee. The winner of the respective 'Gold Tier' section will play off in the final on day 2.

Selectors have been busy identifying prospective players to represent the Region, while a coaching panel has also been established to manage the trial and selection process.

Further information surrounding the Eastern Ranges Region Side will be provided in the next newsletter.

Bowls Australia conducted the 2023 Nationals – Australian Championships in Perth.

A separate update is provided elsewhere in this Newsletter. Representatives from Eastern Ranges competed in several events including the Para Nationals, U18 Championships, Senior Sides Championship and the Open Sides Championship.

Heathmont were well represented at this event with Will Mays (U18), Annette Ruffle and Lucas Protopapas (Para), and Nick Dawe (Senior Sides Championship) being selected to represent Victoria. Other players from Eastern Ranges competing at the Nationals were Shirley Ivanovic (Lilydale – Para), Jessica Wallace (Lilydale - Open Sides Championship) and Colin Veenendaal (Mitcham – Senior Sides Championship).

Congratulations to all players on being recognised to play in these events.

In the meantime, good bowling to all.

Richard Sanzin

ERBR Laws and Umpiring Committee

Applications to become an umpire etc are now lodged by individuals through BV [Officiating - Bowls Victoria](#) – and I receive a fortnightly update for new and reaccrediting officials. When there is a sufficient number to schedule a course, I'll do so. I'm yet to schedule the next course for new umpires or the next sessions for reaccrediting officials but subject to interest levels from ERBR clubs, will likely have one more course before the end of the calendar year and at least one, maybe two re-accreditation sessions.

I've had a call this morning from Glen Waverley in addition to Bennettswood last week with a few interested so late November is looking likely. Will try to lock in dates early next week.

I'll keep you posted but, in the meantime, please get your/your colleague's applications in and you'll be squarely on my radar.

Adrian Goldsmith
Chair – ERBR Laws and Umpiring Committee

How to reaccredit your officiating qualifications

Umpire, Markers and Measurers accreditation expires after 4 years, as noted on your accreditation card. Reaccreditation should occur prior to expiry, however a short window between expiry and reaccreditation will be accepted at BV's discretion.

The reaccreditation process takes approximately one hour and is supervised and organised by your Region's Presenter and Assessor.

When reaccrediting as an umpire you must undertake five questions relating to each category of marking, umpiring, and measuring. There will also be on green exercises related to measuring and marking.

To reaccredit please follow the 3-step process listed below.

Bowls Victoria encourages members to reaccredit and continue your much-valued contribution to the sport of bowls.

STEP 1 Complete the online application form.

<https://www.bowlsvic.org.au/clubassist/officiating/>

STEP 2 BV will process and forward to your Region and local Umpiring Coordinator.

STEP 3 Coordinator will be in contact to facilitate your access to the next available course.

REGION SIDES

Zac Woning (Mitcham) has been appointed to the role of Head Coach.

The Head Coach will be supported by Norm Whitehead (Heathmont) and Rod Nicholson (Lilydale). This Coaching Panel would have responsibility to assist Selectors to arrive at an informed decision as to which players should represent the Region at the 2024 Championships.

Invitations to trial were forwarded to Clubs on 23 October 2023.

It is proposed that trials will be scheduled for the evenings of Wednesday November 15 and Wednesday November 29. The first trial will be held at Mitcham Bowling Club commencing at 6pm, that is after work, Club uniform is not required. Mitcham has agreed to provide a BBQ for all participants. Information surrounding the next trial will be provided at this session.

A date for the final trial/practice match has not been set but is likely to be towards the end of December 2023. Naturally, the squad of players would be reduced after each trial to arrive at the final number of 12 representatives to play at this event. The number of trials is not mandatory. However, more than one session gives the Coaching Panel, headed by Zac Woning (Mitcham) and Selectors greater insights into a player's ability and cohesiveness with the playing group. The deadline to advise Bowls Victoria of teams is 17th December 2023.

Due to the change in format for the Region Sides Championship, other Regions do not see the need for a scheduled practice match. However, Selectors and the Coaching Panel may schedule a 'scratch' practice match prior to the event.

NIGHT PENNANT

Attached are the Tuesday night pennant draws for 2023-24. All special requests have been met. It has taken longer than expected to finalise the draws as we were looking for additional teams for the competition.

This season 12 teams will play in 2 sections on Tuesday night. The teams will be split into 2 sections of 6 teams and clubs will play each other twice (No byes).

The top four teams in each section we play off in the qualifying finals followed by semi-finals and final. Check the Night Pennant Rules on the website for full details.

Also this year the green fees format has been changed. Each club will set and collect green fees for their players. (This has been aligned to Weekend and Midweek pennant).

Eastern Ranges Website has been updated with the Fixture dates and Draws and rules. A link to Bowlslink. can be found on the website.
