- Patty Whorlow (Blackburn)
- Kirsten Day (Yarra Glen)
- Carol Protopapas (Heathmont)
- Emergency: Sandy Elliot (Heathmont)

Congratulations to those selected to represent our region. We had over 50 bowlers take part in two trials and everyone performed extremely well. A list of criteria was given to the selectors to judge each player 'individually' rather than a 1v1 comparison. The selected individuals have earned their spots by excelling in a range of areas and are all very deserving.

# FROM THE PRESIDENT

Much has happened since the November Newsletter, but to save the reader some time, I will condense the information to a summary.

Anyone wanting further information is welcome to approach me.

Region championships continue and this month the focus has been on the Women's Triples and the Men's Open Singles. Both events are at the pointy end of competition with the Final of both events scheduled for Monday 18 December at Lilydale. Further information surrounding the start time and competitors is available in the Bowlslink results portal.

Congratulations to the winners of the Region Pairs event – Jan O'Regan and Vicky Smith (Lilydale) in the Women's event CJ Snary and Luke Lamont (Lilydale) in the Men's event.

The Championship Committee is also scheduling a Region Novice and Over 60s Championship. These events no longer being a pathway for Bowls Victoria's State Events. Instead, Bowls Victoria have scheduled a carnival for both events to be held at Club Barham in the new year.

Nonetheless, there is sufficient demand from Members to participate in Region events on the basis that some do not want to travel to the BV carnival.

Entries to the ERBR events are open – look at the ERBR website for more information.

In late November, I attended a Bowls Victoria Region Representatives meeting.

BV provided an update on various matters:

Many bowling clubs are predominantly run by well-intentioned volunteers. Having a structured governance framework is an important element to ensuring the Club remains sustainable into the future. A series of free online governance programmes are available from the Australian Sports Commission. Completion of the 'Start Line', 'Managing Risk' and 'Organisational Culture' modules should be mandatory for any Club Board Member.

BV have a number of strategic partnerships in place which are available to all Clubs. ClubMap is a resource centre to assist clubs in several areas. Members have access to free webinars as well as a library of resources such as draft policies and procedures.

Kinetica is able to provide clubs with valuable demo-

graphic information which can be used to help drive recruitment.

Warren Griffin is the Region's Club Support Manager and he has a wealth of information to help Clubs support their bowls activities.

Elsewhere in this Newsletter is information surrounding the players selected to represent Eastern Ranges at the Region Sides Championships in early January.

Being a Selector is the loneliest role in any Club environment. There is a plethora of critics who claim that they could do a better job or should have been considered for selection. These faceless individuals make their views known through the safety of social media platforms with little regard for those players who made themselves available to represent the Region at this event.

These comments are disrespectful to those players who have participated in a process and are giving up their time to play in this event and consider it an honor to represent the Region.

This year, there were a number of players who, for a number of personal reasons, were not available to play in this event. And while the Region relies on several volunteers to deliver services to Members, the faceless critics shoot the messenger without knowing the full story – or do not want to know the full story. Instead they are happy to offer their pithy views from the sidelines claiming that they could do a better job than the incumbents.

Well to these individuals I say your time to contribute to the sport of bowls will come. The need for coaches, access to Clubs for coaching clinics, assist with selection and even nominating for trials will see an improvement to the current process.

I look forward to seeing these individuals help the Region in becoming a benchmark for other Regions to follow.

In closing, I wish all bowlers a safe and happy festive season. Please take the time to be with your family and enjoy the break from bowling and I look forward to catching up with many of you in 2024.

# LAWS & UMPIRING

In the ERBR Laws and Umpiring world this month, the focus has been on setting up for **reaccreditation** and **new umpire on-green testing** under the new Bowls Victoria system for accrediting officials. A steady stream of applications for new umpire/measurer/marker accreditation and reaccreditation of existing officials has been coming through from BV on a fortnightly basis.

**Reaccrediting officials** receive the exam paper via email to complete and return which is followed by an on-green assessment. On-green sessions for groups of officials are being scheduled for mid-late December (one at Yarra Glen, one at Mulgrave Country Club and potentially another for Vermont South Club – dates to be confirmed). Any that are not completed during December will be undertaken in late January in addition to any further applications received during this period. The full list of ERBR officials needing to reaccredit is being reviewed and officials will be encouraged to apply via BV to start the reaccreditation process. Additional on-green session will be scheduled in the new year to complete the process.

**New officials** are now able to access the updated Officiating Manual in order to undertake their training – either online via Bowls Learn or face to face in sessions organised by the ERBR LUC. Current candidates have mostly expressed a preference for doing the **theory online** and then doing the **practical on-green testing** soon after. Subject to further confirmations from candidates, on-green testing will also take place in mid-late December at Mulgrave Country Club – dates to be confirmed. Additional sessions (on-green and face-to-face if there is strong demand) will be scheduled in the new year to complete the process.

The ERBR LUC thanks all **officials from clubs hosting Region championships** for their time and dedication to officiating that enables these championships to proceed. Special thanks to those answering the call to officiate at a club other than their home club to support the Championships Committee.

**Adrian Goldsmith**  
Chair – ERBR Laws and Umpiring Committee

# NIGHT PENNANT

**5 Dec 2023**

12 sides from 8 Clubs have entered the Night Pennant competition this season on Tuesday night.

The competition will run for 10 rounds, with two sections of six teams playing each other twice, followed by qualifying finals, semi-finals and the final scheduled for 5 March 2024.

The major change this year is the introduction of a final four in each section.

To date 3 rounds have been completed with the fourth round scheduled to be played on the 5 Dec.

Results of all games can be found on Bowlslink:

# WHAT ARE OUR CLUBS DOING?

## Chirnside Park and Gr8 for Brains

Last month **Chirnside Park Country Club** and Henselite hosted a fun charity bowls day, **Bowls Gr8 for Brains**. The aim of the day was to raise awareness of the challenges our First Responders and Defence Force Family endure while living with PTSD and other mental health conditions as a result of their service to our country. The format of the day was a fours event with top coaching advice beforehand from National coaches. A terrific initiative and well-attended.

## Eastwood is attracting women bowlers

**Eastwood Golf Bowls Club** is addressing the shortage of women bowlers. When Bowls Aust/Vic introduced the Jack Attack competition several years ago and encouraged Bowls Clubs to host, Eastwood embraced the opportunity and hosted a mixed Jack Attack. However they quickly noticed that female participation was almost nonexistent, so they took up the challenge to also run a female only Jack Attack which is now in its 5<sup>th</sup> year. These women come from various parts of the community; they are not affiliated with any Bowls Club, just women looking to try something new, with a little bit of competitiveness but a whole lot of fun. The competition is put together and run by two members with great support from others in the club.

This year there were seven ladies teams participating, some are now Jack Attack regulars with a few new ones being introduced to the game. The competition runs for 4 – 5 weeks. It's great to see the Greens alive with these amazing, enthusiastic women of all ages.

## MONBULK gives support to neighbour

Heavy rain prevented bowling for Pennant on the first Saturday in summer. Bowlers at Monbulk waited an hour for the downpour to ease, but eventually the pin was pulled. Nevertheless, the day wasn't a total loss – the opposing bowlers, from Upwey-Tecoma, were called into the clubroom for a special presentation of \$1000 from Monbulk Bowling Club. This donation was to assist in the rebuilding of resources after Upwey-Tecoma was recently scammed out of a large sum of money. It was a good example of the camaraderie amongst bowlers who can, at the same time, be fierce competitors on the bowling green.
